SIGNS YOU NEED A VACATION FROM DOGS

1. When your spouse's shocked voice shouts from the shop, "Honey, come quick, I've had a terrible accident!", you show up breathless with a mop and scent neutralizer.
2. You wake panicked in the middle of the night when you sense you suddenly have room to move your body around the bed.
3. You can't sleep unless you hear lots of heavy breathing in your bedroom
4. The emergency number on your speed dialer is for the dog's veterinarian.
5. When someone taps you on the shoulder, you tell them firmly, "Off!", then "Down!".
6. When tempers flare among your family members, you pull out the long forefinger, pointedly raise your voice and shout "Go to your crates, now!"
7. When someone asks what's for dinner you automatically reply, "Kibbles and Bits".
8. When you are walking a ring around the local park and someone points at you and your dog, you raise both arms over your head, whoop and go looking for a ribbon.
9. When shopping, your best friend asks you what you think of that snappy suit in the window, and you scowl and mutter, "Useless, it is the same color as my dog and it has no pockets."
10. When your neighbor points to her crawling infant and asks you what you think of her new baby, you study it for a minute and reply, "Well, a little short on coat and long in the hock, but that kid has a great topline!"
11. Dog cookies are starting to look good.
12. What's a vacation?

CLUB COMMITTEES

DFWMGRC's standing committees were established to advance the work of the Club in such matters as dog shows, field trials, obedience trials, trophies, annual prizes, membership and other areas which might be served by committees. The success of our Club depends on membership participation and every member is encouraged to join at least two committees. DFWMGRC's standing committees are as follows:

The **Bench Committee** assists the Specialty Chairman in planning our annual specialty, is responsible for holding one sanctioned show every year; maintaining a list of AKC licensed judges; rules for shows and matches; the breed standard; a current calendar of upcoming shows; and plans conformation activities throughout the year.

The **Field Committee** is responsible for holding one WC/WCX test and one AKC Hunting Test each year; maintaining a list of AKC qualified judges; rules for WC/WCX tests, hunting tests and field trials; a current calendar of upcoming tests; and plans field activities throughout the year.

The **Tracking Committee** is responsible for holding one sanctioned TD/TDX every year; maintains a list of AKC licensed tracking judges; rules for tracking tests; a current calendar of upcoming tests; and plans tracking activities throughout the year.

The **Obedience Committee** assists the Specialty Chairman in planning our annual specialty; is responsible for holding one sanctioned trial every year; maintaining a list of AKC licensed obedience judges; rules for trials and matches; a current calendar of upcoming trials; and plans obedience activities throughout the year.

The **Public Education Committee** is responsible for informing the public at large about interesting activities and events as they relate to Golden Retrievers. It maintains a list of city ordinances affecting animals in the metroplex and keeps the membership informed of any changes and updates.

The **Membership Committee** maintains and updates the membership list; prepares membership applications and new member information packets; introduces new applicants and members; maintains records of application dates and their status; and arranges a sponsor for each new member.

The **Hospitality Committee** arranges for refreshments at Club meetings and functions; works with the Conformation, Obedience, Tracking and Field committees to provide food and drink at Club events; plans the annual Christmas party and Awards Banquet.

The **Constitution and ByLaws Committee** annually reviews the Constitution and Bylaws and proposes appropriate changes or clarifications. It keeps a record of all Standing rules currently in force and is responsible for publication and distribution of the Constitution and Bylaws and the Standing Rules.

The **Puppy Referral Committee** answers questions about Golden Retrievers and refers callers to listed litters, stud dogs and kennels. It maintains the Club's weekly classified advertisement and responds to phone calls from interested parties regarding the Club, the GRCA and the selection and breeding of Golden Retrievers.

The **Web Committee** develops and monitors the club's web site.

Please sign-up to serve on the committees of your choice by checking the appropriate spaces below, signing and returning this page to Judy Word. Existing committee heads who wish to retain chairmanship are also requested to submit the attached acknowledgement.

RAFFLE DONATION FOR THE SPECIALTY

We would like for every Club member to donate one item for the raffle. It doesn't have to be big -- just something that attendees at the specialty might enjoy. It doesn't necessarily have to be golden-related. There are lots of specialties going on at the same time as ours, so there will be people there with all breeds. Or if you know a business that might be interested in donating an item -- perhaps a merchant that you do a lot of business with -- ask them for a donation! You'll be surprised how many will say yes.
