## DFWMGRC CLUB DUES FOR YEAR 2006

Dues for year 2006 are due February 1, 2006 and are considered delinquent after May 1, 2006. Send all monies to the treasurer. Regular dues are \$20 per family or \$15 per individual.

## FEBRUARY BOARD MEMO

The 2006 Board of Directors met on February 7, 2006, and one issue discussed was the difficulty in getting a quorum of members in good standing at Club meetings. According to our Constitution and by-laws "a member in good standing is one whose dues and other financial obligations have been paid for the current fiscal year, whose membership has not lapsed, been suspended, or terminated as provided for in these bylaws, and who is not suspended from the privileges of the Club. A member whose dues remain unpaid after February 1 of any year shall not be considered in good standing until such dues are paid." Article II, Section 5.

Please help support the Club by paying your dues. We need everyone to be a member in good standing.

Also, the bylaws clearly state in the section on the Standing Rules, Trophies and Awards, paragraph B, "Only wins accomplished while the owner is a member in good standing of the Club shall be counted for any trophies. Only titles and degrees which are completed while the owner is member in good standing shall entitle a dog to receive a plaque."

We want everyone to receive recognition for titles earned and receive plaques. Trophy rules are included in the newsletter, so you can keep track of your stats. Don't miss out because you have not paid your dues.

Also, remember that you must attend at least two meetings and work two events or attend four meetings. Attendance means **staying** for the whole meeting, not signing in and leaving or attending only a portion of the meeting. I.e. stay until after adjournment. If you come for the program after adjournment of the meeting, that will not count towards your attendance requirements for awards.

Please note if you are working towards this trophy that the Ducats Watchers Calamity Jane, CD, AX, AXJ Perpetual Open Agility Trophy is being withdrawn and will not be awarded in 2006.

## Legislative Action Center

The American Kennel Club's Canine Legislation department is proud to unveil our Legislative Action Center, a customized interactive Web site that educates you about pending legislation and pertinent issues that may affect purebred dog ownership. Our online advocacy center provides powerful tools that help you make your positions known to your federal and state legislators. You have been included in this eAdvocacy invitation because you are an integral part of our constituency, and we want to make it as easy as possible for you to communicate the purebred dog fancy's concerns to your legislators.

To access your individual account you must log in . You may change your password on the My Account page of the Advocacy Center. After logging in you are automatically recognized in our database and you will be directed to the Legislative Action Center which contains four sections:

**Federal Issues & State Issues** - When logging in you will automatically be matched with your current state and federal legislators, as well as briefings on issues that specifically affect you on a national or state level. Once you have reviewed the issue briefings, the advocacy center conveniently allows you to take immediate action by contacting your representative using interactive features to send e-mail, letters and faxes.

**Government Relations or "GR" Learning Center** - Here you have an opportunity to review helpful materials including AKC Canine Legislation department brochures and position statements, useful links to our department's homepage, and our monthly newsletter "Taking Command." You will also find informative articles on topics such as "How a Bill Becomes a Law."

**My Account** - This section allows you to change your address, phone number, club affiliation, role within a club or your password.

The Legislative Action Center is a powerful way to mobilize you, our purebred dog fanciers, into an effective political force. We encourage you to log on today and utilize the tools to become a strong legislative advocate for purebred dogs.

## Caernac's GEB Guthrie (guide dog) April 19, 1990-February 15, 2006

Stacy Blair reports that Guthrie, his first Golden seeing eye dog, passed away this February. Guthrie retired about seven years ago and has been living with friends of Stacy. As a result, Stacy has had a chance to visit with Guthrie since the latter's retirement.

Guthrie was bred by a veterinarian who has long supported guide dog organizations with donations of sound, intelligent goldens. Guthrie's father, Gopher, was owned Dodi Borsay Horowitz of Mardovar Goldens. A number of Guthrie's littermates as well as half siblings have also been service dogs. Guthrie's pedigree can be found here: <http://www.k9data.com/pedigree.asp?ID=61440>

Guthrie's reg'd name was **Caernac's GEB Guthrie** and he would have been 16 years old in April. He was littermate to a Guiding Eyes for the Blind brood bitch, Caernac's Geb Gwendy of Joy ("Gwendy"). Gwendy has produced both guide dogs and another breeding generation for GEFTB. Another littermate is Caernac's "Radar" – a U.S. Custom's Narcotic detection dog who retired with a tremendous amount of drug "busts" from his work at California's LAX airport. In fact, the drug cartel had a huge bounty on his head when he retired. Guthrie has service dog half brothers and sisters from both his dam and sire's sides of the pedigree. GoFurr has Seeing Eye dog littermates as well.

### Greetings Freestyle Enthusiasts,
