All Breed Echocardiogram Clinic- Dr. Sonya Gordon again is offering to do an echocardiogram clinic. This exam is generally offered only at Texas A&M for those dogs that do not pass an auscultation examination. Dr. Gordon has offered to do this exam on site, subject to interest. It will be necessary for a minimum of 20 dogs to pre-register for this clinic in order for her to offer her time and equipment. (This will in no way affect the heart auscultation clinic.).
