In Memoriam

Gold-Sun's Miracle Sunrise "Sunny"
Female
April 5, 2001 - October 7, 2013

Sunny was the result of a hard birth and most thought she would probably not live out a full life. She proved everyone wrong by giving us 12 1/2 wonderful years. She spent the last week of her life with us going on long walks and constantly offering her never-ending love to us. She crossed the Rainbow Bridge this morning and will live forever in our hearts.
