•Board Meeting: December 27, 2019

Conference Call: 11:03-12:30

Board members in attendance were Leslie Pettengill, Carol Sandusky, Teresa McKenna, Kathy Felix, and Kris Evans.

Carol Sandusky, Treasurer, discussed the end of the year financial P&L statement that was not yet finalized. It will be available for review at the Award Banquet January 19, 2020. Early indications reveal that the club needs to look for opportunities to reduce our operating costs and look for additional income opportunities, such as Fast Cat and Dock Diving.

There was discussion by board members regarding the possibility of adding a reminder with the annual renewal that brings attention to the importance of responsibly following GRCA's code of ethics in the breeding practices of each club member.

Leslie brought up the necessity for the club to develop stricter rules regarding the return of trophies prior to the banquet each year. The board discussed that there should be clear statement made that complete responsibility lies with the recipient of the trophy and not the trophy chair in the timely return of trophies.

There was preliminary discussion about a trail secretary and show chair for Fast Cat in 2020 which highlighted the need for a mentoring program for the different positions that are taken on each year by the same people.

Meeting adjourned at 12:30

Respectfully submitted

Teresa McKenna

January 19th, 2020 at Maggiano's Little Italy restaurant Northpark
Meeting called to order at 5:39pm

Attendees for the meeting were:

BOARD MEMBERS: Kathy Felix, Lesley Pettengill, Shari Degan, Donna Todd, Carol Sandusky, Kris Evans and Teresa McKenna

MEMBERS: Michael Ball, Margery Cannon, Nancy DuBois, Jon Boede, Patrick Harden, George Felix, Pat Ingram, Joan Dunbar, Barbara Brown, David Brown and Dawn Morrill, Marilyn Jones, Terry Thornton, Debbie Clark, Patti Caldwell, Richard Caldwell, Erin Bruce, Janie Jury, Fred Jury, Barbara Lara, Lynda Williams, Kendra Johnson, Kristin Quigley and Beverly Wallace

APPLICANTS: Nancy Gadd, Claudio Martinez-Valle and Veronica Elizondo

PRESIDENT: Lesley thanked the members of the 2019 Board for serving the Club, especially outgoing Board members Donna Todd and Teresa McKenna for their many years of work on the Board and that she was looking forward to a great 2020 and hoping to bring many of the 2019 Board members ideas as well as new ideas a reality. Her hope is to keep the momentum going and encouraging all members to participate more. She thanked the Committee Chairs and the Committee members for all that they have done throughout the year.

VICE-PRESIDENT: Donna thanked Dawn for all her work with the Trophy's as well as Shari Degan for all her efforts as statistician.

RECORDING SECRETARY: Teresa had nothing to Report

CORRESPONDING SECRETARY: Kathy reported that she has 3 active applications for membership, Amanda Pratt and Nancy Gadd both individual applicants as well as Claudio Martinez-Valle and Veronica Elizondo a family membership. This is Nancy's, Claudio's and Veronica's first meeting. They were introduced to everyone and shared a little about themselves.

TREASURER: Carol reported that the Club is in very good financial shape overall but that the Club's earnings fell short of what was hoped for this year (2019) mostly due to our not being able to get our Fast Cat Trial on the schedule and lower entries at our Agility Trial, but that plans are in the works to have a Fast Cat Trial scheduled and the entries for the Agility Trial should be up.

COMMITTEE REPORTS

BENCH COMMITTEE:

Patti Caldwell reported that all is set, ring crew is in place for the March event. Judges will be: Sweeps, Kemah Plusk from Colorado and all other classes, Mr. Bradley Jenkins. She thanked David for all his work handling the paperwork that relates to the March and July Specialties which really helps out the Show Chairs of these 2 events. She also thanked Patrick, Dick and Kathy for all they do to make the event run smoothly. She did want to bring to the membership's attention the need to "upgrade" or take the Specialty Raffle up to the next level as last year the results were far less than desired. Dawn, our Raffle Chair explained that the dog beds that had been donated in the past were not in 2019 as the owner of the company had retired.. These were hot items for many years. Ideas from the floor were asked for. Lesley suggested members seeking out gift certificates, gift cards from wherever they take training classes or places they shop and even their company. Kathy suggested the need for more than a "general" raffle by having items that would have their own individual containers for tickets.. More is not necessarily better and having premier items draws more attention and ticket sales. Kathy also suggested that members chip in together to purchase premier items to donate. She also reminded Dawn that she has lots of ticket containers that the Club has used for Agility and National Raffles in the past and she is welcome to use those if she chooses.

Terry Thornton Obedience Chair reported that Obedience and Rally has moved back to the Brown-Lupton building (where it was in 2018) Our Judge will be, Louise C. Botko. Terry also stepped up to be the Specialty Day coordinator for all those breed's that are offering Obedience/Rally that day.. This will help with Judges Expenses, etc. She also secured \$5.00 per dog from the other Clubs that have dogs entered which will be payable to DFWMGRC. Again this year DFWMGRC will host a match on Friday after regular judging concludes. The fee will be \$5.00 per dog.

David Brown reported that all is coming together for the July Specialty. The Judges will be: Sweeps, Ann M. Greenbank, DVM from Canada and all other classes, Mrs. Carlin Rasmussen-Johnson from Wisconsin. Jon Boede has agreed to Chair the event for the 2nd year in a row...

OBEDIENCE COMMITTEE

TERRY THORNTON, committee chair shared her thoughts of the Club hosting a Rally Seminar sometime this year.. She offered to be the Instructor at no charge to the Club. She is thinking a 1 day seminar that would include breakfast and lunch. This would be an All Breed Seminar open to anyone.

FIELD COMMITTEE:

DONNA TODD, committee chair reported that the WC/WCX lost a little money this past year but all in all the event was a success. There were even a couple of members who had not seen a test before who came and observed. She thanked Terry Thornton for traveling with her to pick up ducks which sounded like an eventful trip to be on.

Donna suggested that the Club seriously think about hosting a CCA this year. Shari Degan suggested that we coordinate with Terry and host over the same weekend the Rally Seminar on 1 day and the CCA on the other day. They will be looking for open weekends and facilities that would work for us.

AGILITY COMMITTEE:

SHARI DEGAN, committee chair reported that our Agility Trial set for February 21st-23rd in McKinney is gearing up for entries. The Lacrosse Team has been hired to help out on Saturday and Sunday. She has asked that even if you have never been to an Agility Trial to please come out and volunteer, there are many jobs that still need to be filled and it is a fun way to earn those 4 hours of service required. Shari always seeks out Judges that competitors enjoy entering under and it sounds like this year is no different.
