CLUB MEETING

Saturday, September 10th from 9-1

DOCK DIVING ORIENTATION

This is geared toward those that have never tried it before. Because this is the high season, they are unable to allow us to do any qualifying jumps this time. We will let all the dogs try jumping and then have a lunch and meeting. Please bring a picnic lunch, lawn chairs, crate, shade tent (if you have one) and bathing suit or other clothes you don't mind getting wet. They are asking us to get a head count of the number of dogs we are expecting. So please RSVP to Shari Curran (nobigwoof@gmail.com) and let me know the number of dogs you are bringing. Dogs participating must be 6 months of age.
